MINI SESSIONS \$199

(FORMER WEDDING COUPLES RECEIVE \$20 OFF)

Mini sessions are great for couples & maternity. Mini's are photographed locally (Eau Claire or Chippewa Falls). Sessions take about 20 minutes and include roughly 50-75 images delivered via Dropbox where you are able to share the link, download and print any of them! Mini's are not available for Newborn sessions.

FAMILY \$299

(FORMER WEDDING COUPLES RECEIVE \$75 OFF)

Full family sessions are photographed on location locally (Chippewa Falls or Eau Claire). They take about 45 minutes - one hour and include roughly 100-125 images delivered via Dropbox where you are able to share the link, download and print any of them!

My approach to family sessions is much like how I approach weddings. We do some more traditional photos (everyone smiling at the camera) as well as some fun, candid style photos.

An outfit change is included as well.

Newborn \$299

(FORMER WEDDING COUPLES RECEIVE \$75 OFF)

Newborn sessions are photographed on-location, typically in-home. I just need an area with available window light where the backdrop is simple, like a wall without photos, tv's etc. You may not think you have a spot but I have yet to go to a home where I can't find a great, workable area for photos!

For a newborn session, it works best to have your baby in just a diaper, fed & sleepy if possible. I have a velcro swaddle I typically use to keep baby warm, and over that we select swaddle wraps. I own neutral color swaddles but I welcome swaddles & blankets or quilts with color and patterns as well!

I'm not opposed to outfits for baby, however if you choose that route, please find an outfit that will fit. Newborns tend to be swimming in clothing those first couple weeks. Softer material works better for posing.

COUPLES/ENGAGEMENT \$299

(FORMER WEDDING COUPLES RECEIVE \$75 OFF)

Sessions are photographed on location locally (Eau Claire or Chippewa Falls). Sessions take about one hour and include roughly 150-200 images delivered via Dropbox where you are able to share the link, download and print any of them!

An outfit change is included as well.
